BARASTOC

Barastoc Calm Performer - 20kg

- 566666
- As a regular feed, it will provide your horse with the right amount of energy and nutrients for low to moderate activity levels, keeping them in peak form and encouraging a placid temperament. What will it do for my horse?
 - A low GI diet for your horse with added Barastoc Superfibres™ to promote gut health.

Barastoc Complete Performer - 20kg

- 566690
- Formulated to provide the ideal source of balanced nutrition for potentially 'hot' horses and ponies in light to moderate work
 - Being free of oats, the corresponding low level of starch provides cooler energy, reducing the risk of tension and mental instability often associated with high grain diets.

Barastoc Breed N Grow - 20kg

- 566624
- Supplement grazing and/or high quality roughage to not more than one half of the horse's daily feed intake by weight
 - Introduce this product gradually over a two week period. Intakes less than the levels listed may require additional vitamin and mineral supplementation.
