BENEFITS OF WEIGHING FOR YOUR FARMING OPERATION

- Ensure livestock sell at optimum weight grade**
Closely manage the weight gains of individual animals or mobs and tailor your feed and treatment inputs as required.
- Minimise treatment waste**
Accurately calculate dosage based on the requirements of the individual animal to minimise waste maximising livestock health.
- Monitor reproductive performance**
Closely monitor the weight gain of offspring to help make breeding decisions, maximising reproductive performance.
- Identify sick or lame animals early**
Regular weighing of individual animals means weight loss and other issues that manifest over time are identified quickly.

This catalogue has been prepared by AG Warehouse Pty Ltd ACN 004 515 744. Participating stores are listed above. Prices stated are recommended prices. Prices valid from 1st June until 30th June 2024 or while stocks last. Prices stated do not include any freight charges (which are not known to AG Warehouse Pty Ltd and which participating stores may incur and choose to pass on to customers). Freight charges may apply to some product lines. Participating stores in New South Wales, Victoria and Tasmania may add these freight charges into the price they charge to customers for any of the products featured in this catalogue. Delivery timeframes for individual products may vary. Due to the extensive product range represented in this publication, not all products will be stocked at participating stores. Orders, however can be placed upon request. If a specific product becomes unavailable during the sale period, every effort will be made to provide an equivalent product at the same price. Each store reserves the right to limit quantities sold to any one customer. Unless otherwise stated, accessories shown are not included in the price. To keep prices low, some items may require self-assembly. Free or bonus item offers are only valid when the product associated with the free or bonus item is purchased. '2 for offers' must be two or more of the same product. All sizes shown are approximate only. AG Warehouse Pty Ltd reserves the right to correct printing errors. Due to the printing process, colours may vary to the actual item advertised. This publication is copyright. No part of it may in any form or by any means be reproduced, displayed or transmitted without prior written authority of AG Warehouse Pty Ltd.
