## Gallagher Auto Weigher: Effortless, Stress-Free Livestock Management

700282

- Weigh your cattle anytime, anywhere with the Auto Weigher system
- Portable, automated solution makes livestock weighing simple—just place an attractant in the trough, and animals voluntarily step on the platform
- Built-in EID reader captures data and seamlessly syncs it to an easy-to-use app, giving you real-time insights on weight trends and growth rates
- Reduce labour, minimise stress, and optimise feeding with smart, remote weighing technology
- Improve efficiency while keeping your livestock in peak condition.

Find out more today.

Contact your local AG Warehouse Store for more information.

## How the Auto Weigher works

01. Take the unit to your cattle; it is highly portable and set up only takes a few minutes.
02. Put an attractant like a salt block or molasses in the integrated trough which will entice the animal to voluntarily step onto the platform.
03. The integrated EID reader identifies the animal. The front feet of the animal are weighed and an algorithm estimated full body weight.
04. The estimated full body weight data is sent securely to the Cloud.
05. View your data on the app: it displays easy-to-understand data such as individual or group weights and growth over time.

This catalogue has been prepared by AG Warehouse Pty Ltd ACN 004 515 744. Participating stores are listed above. Prices stated are recommended prices. Prices valid from 1st June until 30th June 2025 or while stocks last. Prices stated do not include any freight charges (which are not known to AG Warehouse Pty Ltd and which participating stores may incur and choose to pass on to customers). Freight charges may apply to some product lines. Participating stores in New South Wales, Victoria and Tasmania may add these freight charges into the price they charge to customers for any of the products featured in this catalogue. Delivery timeframes for individual products may vary. Due to the extensive product range represented in this publication, not all products will be stocked at participating stores. Orders, however can be placed upon request. If a specific product becomes unavailable during the sale period, every effort will be made to provide an equivalent product at the same price. Each store reserves the right to limit quantities sold to any one customer. Unless otherwise stated, accessories shown are not included in the price. To keep prices low, some items may require self-assembly. Free or bonus item offers are only valid when the product associated with the free or bonus item is purchased. '2 for offers' must be two or more of the same product. All sizes shown are approximate only. AG Warehouse Pty Ltd reserves the right to correct printing errors. Due to the printing process, colours may vary to the actual item advertised. This publication is copyright. No part of it may in any form or by any means be reproduced, displayed or transmitted without prior written authority of AG Warehouse Pty Ltd. Printed on behalf of AG Warehouse Pty Ltd ACN 004 515 744 © 2025. VISA AND MASTERCARDS ACCEPTED.
